<p><b>Types of programmes:</b>  <b>Skills programmes:</b> These comprise SAQA NQF unit standards and may earn credits towards a national qualification, on the completion of set requirements. On their own, they provide a useful set of skills for the workplace  <b>Professional Programmes:</b> These are endorsed/licensed by, or externally assessed by industry leading organisations and/or Accredited institutions / Quality Councils/ ETQAs/ Professional Bodies.  <b>International Certifications:</b> Qualitas offers tuition towards internationally sought after and recognised certifications. Certain industries &amp; sectors prefer these to national certifications.  <b>Competency Based:</b> These focus on knowledge, and specific skill sets based on workplace requirements.  <b>Workshops:</b> These programmes focus in imparting relevant knowledge &amp; skills based on workplace requirements.                      Competency Based Programmes &amp; Workshops are normally non-NQF aligned, focusing on skill &amp; knowledge combinations not effectively catered for/available on the NQF, yet immediately necessary and current in the workplace.                      Please ensure you are aware of the type of programme, its outcomes and merits prior to enrolment                      We reserve the right to re-schedule / cancel classes. A non-refundable registration fee of R450 is included in the above course fees. Terms prices are subject to the regulations as laid down by the National Credit Act. We are accredited by various bodies for various programmes. Please resolve any accreditation questions regarding your programme before enrolling.
